## 7 to 10 points: You're a Buddy!

Buddy is sweet and loyal, just like you! He tries his best to play by the rules, but sometimes he's a little bit forgetful (sound familiar?). Like Buddy, you appreciate the little things. You're curious, but may not be quite as adventurous as your friends. Still, they always want you along for the ride because you know how to have fun.

## 11 to 14 points: You're an Earl!

For Earl, the world is one big adventure waiting to happen — which sounds pretty good to you. Admit it, you play by your own rules, don't you? You and Earl both tend to jump into situations without thinking them all the way through, but you're quick to admit if you've made a mistake.
