Time	Topic	Overview	Notes/Links
Waggle Links- How to Access Student Walkthrough Parent Letter Google Docs Link- How to Set Up			
10 minutes per day (50 minutes per week)	MAPE	Music: Your teacher will share a variety of ways for students to make/create music. Your teacher will also share a variety of ways for students to make musical connections.	Music Link
		Art: Your art teacher will assign you a weekly lesson to give you a variety of things to create and opportunities to express your feelings. Our goal is for you to spend 15 minutes or more per week engaged in art activities. We will be focusing on the Elements of Art; line, shape, form, color, value, texture, and space. Each week you will have options to explore a new element with minimal supplies needed.	Art Link
		Physical Education: Your Phy Ed teacher will provide you a variety of physical activities and games to play either inside or outside of your home, needing minimal equipment or toys to play. These activities will help our bodies to stay healthy, and our minds to stay happy! The goal is to play each suggested activity for 15 minutes per week however, we recommend children are active and moving for extended times every day.	Phy Ed Link

Bonus Materials:

1. GT Page- visit this page for resources about leadership, creativity, and visual/performing arts! There are also many resources for extra practice and learning in Math, English Language Arts (ELA), Science, and Social Studies! Check it out!

2. Virtual Workshop for Aspiring Authors and Illustrators
   Students will be able to watch videos and hear from local authors about their creative process and what it takes to become an author or illustrator. Once they have finished watching they will fill out a form about why they are interested in the career field and what they learned.

   Then, CESA 10 will send the first 50 learners who complete the workshop a kit, either art or writing to continue working on their craft.
