Dear Parents/Guardians,

Welcome to our sixth week of Essential (New) Learning!

Please visit the 5th Grade At Home Learning Page to access the checklist for the week of May 26 - June 1.
http://www.ecasd.us/Manz-Elementary/Academics/At-Home-Learning/5th-Grade-Activities

Be sure to check out the bonus materials at the bottom of the checklist if you are looking for more.

In addition to the At Home Learning Checklist, your child will continue to receive an update every morning in Google Classroom.

This Thursday, May 28th, we will be hosting a virtual field trip about government via Microsoft Teams. Local and state representatives will be joining our online class chat. Students were asked to fill out a survey to prepare for the meeting. It can be found here:
https://forms.gle/QzVijuERJfX7CJDV7

All 5th graders will be meeting at 10am on Microsoft Teams.

As a reminder, Manz families are invited to stop by South Middle School on Thursday, May 28, 11:30-1:00, in the LOWER parking lot off of Hester Avenue to pick up a FREE bag of books and math materials for the summer. We have bags for students in kindergarten, first, and second and a different bag for students in third, fourth, and fifth.

Please feel free to reach out should you have any questions or difficulties.
Thank you for all you are doing to help further your child's At-Home Learning!

Ms. Maki and Mr. Winters
