

SEPTA Meeting
3/8/18
Robbins School

Andrew Theil, principal of Robbins, welcomed us to the school.
Many staff were in attendance.

Announcement about a community forum regarding the School Resource Officers –
to be held March 12 at 6:00 at DeLong school.

Terry Noel in attendance. She has started a SNAPS Support group in the area. The purpose of the group is about connecting and building relationships and friendships. It is for anyone in the area who has kids with special needs and they hold meetings and plan social outings. Childcare is provided. They meet at Chippewa Bible Church but it is not a faith-based group. They have a Facebook page that will announce their meetings.

WEAP Presentation

Brittney Schumacher and Adam McDonough from the Wisconsin Early Autism Project gave an extensive presentation about the organization. They provide in-home ABA therapy, weekend club, WEAP Academy and many other programs to support families impacted by an autism diagnosis.
