

SEPTA Meeting
5/10/18
Meadowview School

Principal Kurt Mattson welcomed us

Eau Claire School Board- Joe Luginbill

We were informed that a lot of new policies have been put in place regarding SpEd issues

They are looking into accountability reporting and evaluating who is interacting with the School Resource Officers

All policies can be found on the web site

Community Presenter – Marquell Johnson – PRIDE Program – UWEC

Dr, Johnson is a professor of Kinesiology and teaches classes for students entering PT, OT and adapted PE

PRIDE is an adapted PE program offered at UWEC

The program is Wednesday evenings from 6-7 an had 41 children participating who were supported by 63 undergrads

The highest percentages of participants have autism, Down Syndrome and CP

There is also a PRIDE for adults program that meets at the Senior Center

He'd like to start an aquatics program

Northwest Reading Clinic – Ruth Harris -

Executive Functioning – the interaction of planning, organization, tie management and working memory.

Strong EF requires response inhibition, emotional control, sustained attention, task initiation and flexibility

People with many different diagnosis, including ADHD, have poor executive function skills
