Learn more here!

The Forestry Skills Camp is an immersive training experience in chainsaw safety/operation, portable sawmill use, lumber drying, tree harvester operation, tree identification and more! This camp provides 1 forestry credit at UWSP.

Everything Under the Sun (ages 9-11)

Residential Camp

July 6th-11th

Cost: \$515

Just like the name suggests, campers are immersed in the full spectrum of camp experiences! Join us for an enriching week filled with swimming and boating on the lake, camp crafts, archery, and exciting evening programs that include night hikes and stargazing.

Outdoor Skills (ages 10-12)

Residential Camp

June July 27th-August 1st

Cost: \$515

Enhance your proficiency in backcountry abilities and wilderness knowledge. This week's featured activities encompass outdoor cooking, fire-building techniques, and embarking on a day trip to our expedition property across Sunset Lake.

Hike and Bike (ages 14-16)

Adventure Trip

July 27th-August 1st

Cost: \$550

Explore stunning views at Pictured Rocks National Lakeshore! Hike past waterfalls to Chapel Beach and see the massive dunes at Log Slide Overlook. Catch a ferry to Grand Island National Recreation Area where you'll pedal 20 miles of pristine Lake Superior shoreline. All this while camping near the finest beaches in Michigan's Upper Peninsula.

Sky's the Limit (ages 11-13)

Residential Camp

August 3rd-8th

Cost: \$515

Reach new heights and participate in specially designed activities to build upon traditional camp programming. Develop your canoeing skills through T-Rescue training on Sunset Lake, advance your log rolling and slingshot skills, and cap off your adventure with an unforgettable overnight at Raccoon Run, our exclusive wilderness site.

Jr. Naturalist (ages 5-10)

Day Camp

August 11th-15th

Cost: \$375/camper, \$350/camper for each additional sibling

Join us daily for a blend of engaging camp activities and immersive nature programs. Delight in waterfront swimming, delve into the fascinating lives of birds and animals at CWES, and explore your creativity in nature crafts.
