

Program Name: ARCTIC Zone

School Name: Northstar

Grade Levels Served by Program: Grades 6-8

Program Start Year: 2016-2017

Program End Year (if applicable): n/a, current program

Program Leader(s)/Contact Person: Andy Brown, Ali McMahon, and Tim Skutley

Program Description: The ARCTIC (Authentic Real-World Curriculum Technology Infused Classroom) Zone is a learning environment that includes project-based learning and personalized learning. Students complete ELA, Science, and Social Studies content in a blended format within the ARCTIC Zone classrooms. Students complete math, music, PE, and elective courses outside of the ARCTIC zone with all other grade level students
