The Eau Claire Area School District will host one more informational session for families with incoming Kindergarten students interested in learning more about the Spanish Dual Immersion program. The session will be at the **Longfellow Elementary library** on **Saturday, January 11, from 9:00 am-10:00 am**

Eau Claire 4-H Tech Change Makers and Meadowview Elementary will host the National Youth Science Day program, *Game Changers*, on **Thursday, January 9, from 3:15 – 4:45 pm**. Students will be doing various activities around coding. It is open to third through fifth graders. **Please contact partnership coordinator Sue Lindstedt at 715-225-8852 to learn more.**

As part of **Roosevelt Elementary's** PBIS (Positive Behaviors, Interventions and Support) program the school will have a mystery teacher arrive in all classrooms on the afternoon of **Friday, January 10, from 3:00-3:20 pm**. The mystery teacher will be a Roosevelt teacher from another grade level. The students will not know in advance who is showing up to their classroom. The mystery teacher will read a book to the class focusing on PBIS skills of integrity, grit and diversity. **Please contact partnership coordinator Tammy Rud at 715-852-4707 for more information.**

**Putnam Heights Elementary** will produce "The Grunch", directed by Mrs. Jodi Miller. Inspired by "The Grinch Who Stole Christmas", "The Grunch" tells the story of Rudy Grunch, a grumpy fifth grader who always feels like an outsider. When the entire school gets excited about the annual school musical, he comes up with a perfect plan to ruin it for everyone; he'll steal the sets, costumes and lights the night before it opens. But will the spirit of theatre prevail? More than 100 Putnam students make up the cast of this exciting show. **Public performances will take place at DeLong Middle School on Thursday, January 30 and Friday, January 31, starting at 7:00 pm.** Tickets can be purchased at the door for \$5 each. **Contact Jodi Miller at 715-852-4243 or partnership coordinator Erin Anderson at 715-852-4207 for more information.**
