

Dear Parent/Guardian/Caring Adult,

We would like to extend a warm welcome to elementary school to you and your child from the Eau Claire Area School District and inform you of immunization requirements for Kindergartners.

Wisconsin State Law requires that all immunizations be up to date within **30 days** of entering the school system. New students will be asked to provide proof of immunization prior to the start of school; all others are requested to notify the school when your child receives additional immunizations. Please take the opportunity to take care of this prior to the start of school.

Immunization Requirements for incoming Kindergartners:
DTaP (Diphtheria, Tetanus, and acellular Pertussis), dose 4 (one dose received after 4 yrs of age, unless medically contraindicated, a dose received 4 days or less before the 4 th birthday is acceptable)
Hepatitis B, dose 3
MMR (Measles, Mumps and Rubella), dose 2
Polio, dose 4
Varicella (Chickenpox), dose 2

*Waivers for personal, religious or health reasons remain an option for parents.

We would also like to provide you with some health resource information.

If your child has a health condition that may or will require special monitoring, a health plan and/or medication to be administered during the school day please contact your school nurse. Some examples of health conditions could be, but not limited to: **Allergies, Asthma, ADHD, Cardiac Conditions, Diabetes, and Seizure Conditions.**

Health Forms and Immunization Information can be found on the district website at <https://www.ecasd.us/District/Departments/Student-Services/School-Nurses>

If you have any questions, please contact your school nurse.
