

May 12, 2020

Dear First Grade Families,

It doesn't seem like we should be into the second week of May, but here we are, wishing the weather would catch up with the calendar. Despite all that feels out of place, we delight in talking with first graders on the phone when it works in your schedules. We realize that not all first graders want or need to have a phone conversation with us, so please continue doing what feels right for your family.

Hopefully, all first-grade families have received a package in the mail with a word study and math packet, and two writing projects that will take you through May (June 5th for writing). If you haven't received those paper resources yet, please reach out to your child's teacher, and we'll see if we can figure out a plan to help until your packet does show up in your mailbox. **Please continue to utilize the weekly 1st Grade Checklist on our At Home Learning webpage**, where you'll find directions and links to guide you in using the printed resources you received. We'll continue to add bonus activities in the Checklist. Mrs. Campbell, Mrs. Mosher, and Mrs. Chapman will update their links weekly as well.

As you use new and different suggested apps, we'd like to clear up confusion you might have regarding student usernames, ID numbers, and PINS that might be required for logging in.

Please note these differences in username, email and password.

- Username: Students' District ID number (can be found in Skyward)
- Email: Student's District ID number + @ecasd.us (eg.- #####@ecads.us)
- Password: Student lunch pin (please contact Mrs. Funk at 715-852-3901 to obtain this)

As always, please reach out to let us know how we can help as we move through our At-Home Learning. We appreciate your questions, feedback, and support.

Kind regards,

Mrs. Bauer: mbauer@ecasd.us 715-852-3923

Mrs. Brandt: lbrandt@ecasd.us 715-852-3921

Mrs. Decker: pdecker@ecasd.us 715-852-3929
