

CVC (consonant, vowel, consonant) Word Practice

1. Say the word for your student and use it in a sentence.
2. Remind your student to pound the word and tap the sounds he/she hears. Your child can show you how we do this at school.
3. The student will then write the CVC word.
4. Have your student read the CVC words.
5. Have your student write a sentence using the word/words on the list.
