			<ul style="list-style-type: none"> - Read to/with your child. The online options below provide books and reading activities. (recommended daily) • Khan Academy Kids – ebooks can be read or listen along to. <p>* see details about this below</p>
Untimed	Math	<ul style="list-style-type: none"> - I can fluently add and subtract within 5 - I can tell and show the partners through 10 - I can count groups of objects to 20 - I can count by ones and tens to 100 - I can count on from a given number - I can build teen numbers with a group of ten and extra ones 	<ul style="list-style-type: none"> - View daily routines and quick practices video and participate along with the teacher (recommended 2-3x per week) <ul style="list-style-type: none"> • https://ensemble.cesa10.k12.wi.us/Watch/c8QHs3m6 - Listen to this teen number song https://youtu.be/uedvwH6Ay18
Untimed	Music, Art, Physical Education	<p><u>Music:</u> Your teacher will share a variety of musical examples with students to listen and move appropriately to music. They will also share songs for students to practice using their singing voice.</p> <p><u>Art:</u> Your art teacher will assign you a weekly lesson to give you a variety of things to create and opportunities to express your feelings. Our goal is for you to</p>	<p>Notes/Links will be what changes weekly.</p> <p>Music Link</p> <p>Art Link</p> <p>Phy Ed Link</p>

		<p>spend 10 minutes or more per week engaged in art activities. We will be focusing on the Elements of Art; line, shape, form, color, value, texture, and space. Each week you will have options to explore a new element with minimal supplies needed.</p> <p><u>Physical Education:</u> Your Phy Ed teacher will provide you a variety of physical activities and games to play either inside or outside of your home, needing minimal equipment or toys to play. These activities will help our bodies to stay healthy, and our minds to stay happy! The goal is to play each suggested activity for 10 minutes per week however, we recommend children are active and moving for extended times every day.</p>	
Untimed	Bonus Activities	Sight word activity	https://ensemble.cesa10.k12.wi.us/Watch/Ka9g3JWn

**Khan Academy Kids language to use:*

An optional resource, should you have a personal Apple, Android, or Amazon device at home, is the Khan Academy Kids app. The app offers numerous, valuable reading, math, and language arts activities for students in the lower primary grades. Once

www.ecasd.us/District/At-Home-Learning

downloaded, it is necessary to provide de-identifying information, such as your email address and the first name (consider using a fake name) and age of your child. There are no accounts to be created, and you will not receive a solicitation to provide financial information to start a subscription. If able, please consider this ECASD recommended tool to continue to provide your child with valuable learning experiences.
