

All course content for Mr. Robaidek's AP Physics C course during the school closure will be available on Canvas. Students should be able to access Canvas and start with the material under Unit 8 module. Material will be added sequentially down the home page. Students should continue to check back for updates to the canvas page on a daily basis(regularly scheduled school days).

Mr. Robaidek's Canvas page can be accessed using the following link: <https://ecasd.instructure.com/courses/30366> or through the district website by clicking on Student Technology Resources, then clicking on Canvas, then a student's user name and password can be entered to access Canvas.

Students or parents having trouble accessing Canvas should contact the district IT team at (715) 852-3411.

If you have any questions for Mr. Robaidek, feel free to contact him at [jrobaidek@ecasd.us](mailto:jrobaidek@ecasd.us)
