

Good Morning AP Students and Families,

I apologize that I was unable to send my usual update this last week. My district issued laptop had issues that could not be fixed remotely, fortunately, the district IT personnel were able to schedule an appointment this week with me and fix the issue, so my computer is now working! For those of you who took the AP test, I hope that well for you; I am confident you all did amazing. Thank you all for a great year; you have each made teaching AP this year a joy.

From May 26-June 5<sup>th</sup>, there will be no more new grades being entered into Skyward. I am providing enrichment opportunities at this time which include an opportunity to turn in missing work. The enrichment choices are listed below and I have also included a quick video as well.
