

Greetings,

I have posted this weeks assignment on Canvas. We will continue the process of working on new materials this week. This weeks lesson is a continuation of Chapter 10. Please access Canvas, the online text book, and complete the assignment. Take a photo or scan the completed answers and send it in for grading via Canvas.

Last night the school board approved the grading process for quarter 4 and semester 2. Please complete your work so I am able to pass you and allow you to earn credit for this class. If you are having technical issues or do not understand something, please communicate with me and we will get the issue resolved.

Take care and be safe!

Mr. Smith
