

Happy Monday US History parents and students!

I hope you've been enjoying the beautiful weather! I plan to send an email Sunday/early Monday with updates and our weekly overview attached. ALL OTHER COMMUNICATION will occur via Canvas announcements and calendar.

**Week of April 6th Schedule**

I've posted the weekly overview and assignments for this week and entered topics and assignments into the calendar on Canvas.

Assigned materials will be graded complete/incomplete in preparation for our return to a "normal" class structure.

**Parents:** Please check in with your son/daughter regarding their coursework. There are about 25% of my US History students who HAVE NOT been actively engaging in our work on Canvas. We have been asked by Memorial administration/principals to provide names of students who are not engaging in Canvas. Assignments are to be completed in Canvas and I will grade them in Canvas. You can download the Canvas app too!

PLEASE contact me with questions! Have a great week!

Mrs. Maas
