ATTENTION:

The 2024 CVTC Foundation scholarship application is now open! **APPLY NOW** 

There are more than 400 scholarships available throughout the year to incoming and current CVTC students.

Scholarships are funds that normally do not need to be repaid and can be based on merit, financial need, or other criteria.

CVTC Scholarships - Any student with a CVTC student ID is eligible to apply. The list of available scholarships and their deadlines can be found at:

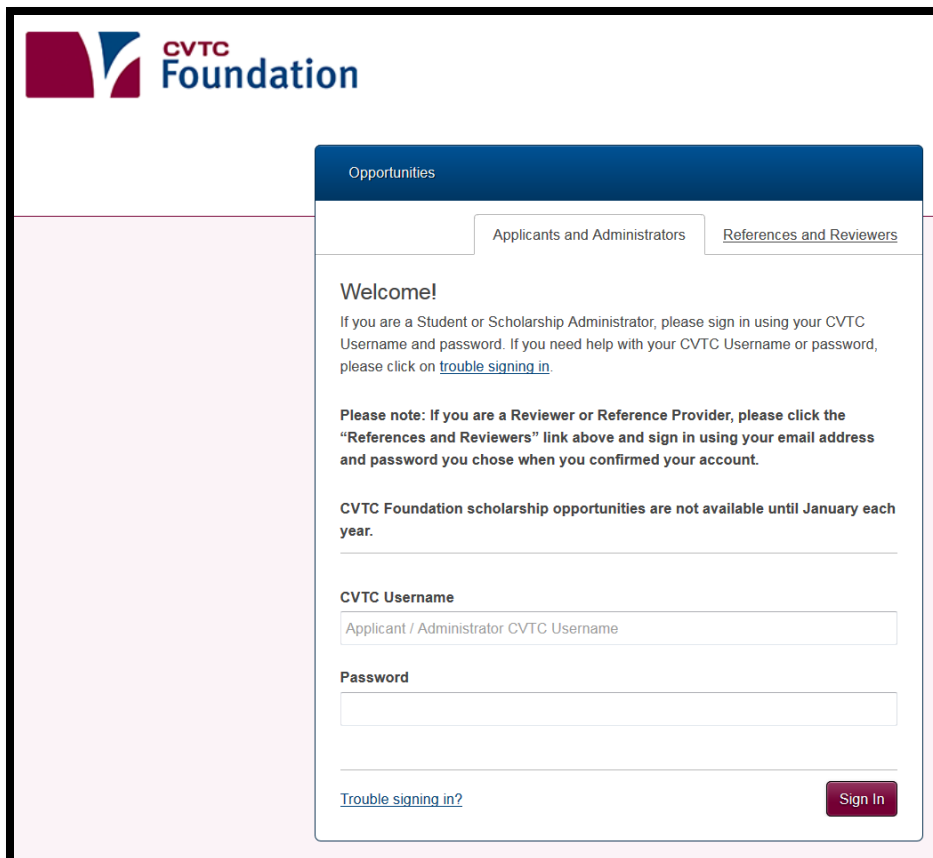

cvtc.academicworks.com

When students answer all of the questions and submit a scholarship application, they are automatically matched to numerous scholarships for which they are qualified. In addition, apply-to scholarships are available, and students are not automatically matched to them. Some require additional questions and/or personal statements. That list can be found under the "Opportunities" tab once the application is submitted.

PLEASE NOTE: You need to apply for scholarships each calendar year. The application reopens the first Monday in January, with the spring scholarship deadline in mid-February. There are multiple application deadlines throughout the year, and those deadlines can be found at cvtc.academicworks.com.

Private Scholarships - These scholarships are not available within CVTC. Each scholarship has a unique application process and distinct criteria. The scholarships listed in this area are offered by individuals, businesses, industries, or organizations. [View a List of Private Donor Scholarships.](#)

Step 4: Login with your **CVTC** username and password to gain access. (Make sure you are on the “**Applicants and Administrators**” tab.)

The screenshot shows the CVTC Foundation login page. At the top left is the CVTC Foundation logo. Below it is a navigation bar with three tabs: "Opportunities" (selected), "Applicants and Administrators", and "References and Reviewers". The main content area has a "Welcome!" heading followed by instructions for students and administrators to sign in with their CVTC username and password, and a link for "trouble signing in". A "Please note" section informs reviewers and reference providers to use their email address and password. A notice states that scholarship opportunities are not available until January each year. Below this is a login form with fields for "CVTC Username" (with a placeholder "Applicant / Administrator CVTC Username") and "Password". At the bottom left is a link for "Trouble signing in?" and at the bottom right is a "Sign In" button.

Step 6: Read the instructions and complete all of the General Application questions.

The screenshot shows a web application interface for CVTC. At the top, there are navigation tabs: Applications (with a red notification icon), Opportunities, Donors, and References. The user's name, Kathleen Farley, is displayed in the top right. A yellow banner at the top states: "You have unanswered required questions on your General Application. In order to be considered you must complete all the required questions below." On the left, under "General Application Progress", there are two items: "Applicant Record" (checked) and "Profile Information" (unchecked). The main content area contains instructions: "You can save your application at any time by clicking **Save and Keep Editing** at the bottom of the form. Once completed, you can submit your application by clicking **Finish and Continue**. As an applicant, you will be recommended to specific opportunities that meet your criteria, and you should only apply to those opportunities that are recommended.
