

Eau Claire-Seymour Lions Scholarship

A bit of information to the applicant:

The Eau Claire-Seymour Lions Club annually awards a scholarship to a graduating senior from Memorial, North, and Regis high school. This is a \$750, one-time scholarship.

This scholarship is offered to help offset some of the cost of post-secondary education. High academic achievement is important; however, it is not the determining factor for this award. It is our hope to offer this scholarship to a hard-working individual who truly wants to pursue a degree from a college, university, or technical school. Because of your hard work, positive attitude, and drive, you may qualify for this award. Therefore, we offer this **NEED BASED** scholarship. Best of luck to you!

To apply:

Carefully read through the application

Fill out the application

Complete the requirements of the application as stated

Return to your counselor by APRIL 5, 2024
