As you know, the Eau Claire Area School District had another school closure due to inclement weather on April 11, 2019. High Schools will extend the year to June 12 as the last day of school for students. If any days are needed due to additional school closures going forward, the year would be extended, and parents would be notified.

If you have any questions, please do not hesitate to contact your student's principal. Thank you for your attention to this important communication.

Final exams will take place on June 11 & 12. District rules do not allow for final exams to be taken early if students leave prior to the end of the school year.

North Staff & Students Honored at the 2019 Excellence in Education Banquet

Each year, the Eau Claire Chamber's Excellence in Education Banquet honors 60 graduating seniors from 10 area high schools. Honored students are selected by their high school based primarily on academic achievement; however, school personnel are strongly encouraged to take into consideration other important demonstrated attributes of student achievement, such as ability to apply learning, leadership, outstanding character, personal goals, enthusiasm, community involvement, communication skills, self-motivation, class attendance, self-confidence and positive attitude. What makes this banquet unique is that each honored student then chooses an educator who either aroused a special interest in a specific subject or in learning in general, demonstrated exceptional knowledge or teaching ability, served as a mentor, devoted extra time and attention, was very understanding and helpful, demonstrated a love of learning and of the teaching profession or for whatever reason, caused the student to do more than what might be considered possible. The educator is honored alongside the student at the banquet.

French Students Visit the Guthrie in Minneapolis

After studying this play in class, French students from North and Memorial, with teachers A & C, went to see an English adaptation of the French classic, *Cyrano de Bergerac* at the Guthrie Theater in Minneapolis. The 33 students attended an evening performance in April of this heroic comedy, thanks to the support of an Eau Claire Public Schools Foundation grant.

North and Memorial French Students and teachers, Amanda Hilson and Celena Smith Reuter, went to the Guthrie to see *Cyrano de Bergerac*
