- **Early College Credit-UWEC**
- **CVTC Academies**

See chart on  
pages 11-12 in  
the ACP Guide

## Dual Credit: College-Level Coursework

	Advanced Placement (AP)	Start College Now	Early College Credit
DESCRIPTION	Exposure to college level coursework Good indication of college readiness	Take up to two courses at a time at a Wisconsin Technical College	Take up to two courses at a time at a 4-year WI University
SITE	Memorial High School North High School	WI Technical Colleges	WI College/University
TAUGHT BY	Eau Claire School District teachers	College professor	College professor
REQUIREMENTS	Most AP courses have prerequisites AP courses are independent of the AP exam You may take AP exams without taking the course if you feel you can prepare for the exam independently. AP Exams available for French, Spanish, German, and Japanese. <b>You MUST register for the AP exam by November 1.</b>	11th and 12th graders Maximum of 18 credits total Admission requirements set by post-secondary school Course must not be offered in ECASD Application deadlines: - October 1 - spring semester course - March 1 - fall semester course - April 1 - summer semester course Maximum of 2 classes per semester	11 <sup>th</sup> and 12 <sup>th</sup> graders Maximum of 18 credits total Admission requirements set by post-secondary school Course must not be offered in ECASD Application deadlines: - October 1 - spring semester course - March 1 - fall semester course - April 1 - summer semester course Maximum of 2 classes per semester
GRADES & CREDIT OPPORTUNITY	Grade is based on class performance. College credit is based on your score on the AP exam. Scores of 3 or above (1-5 scale) are considered passing; some colleges require a score of 4 or 5 for a direct credit transfer. AP Credits are considered "credits in escrow"; not guaranteed until you are admitted to a post-secondary institution. Many AP courses transfer as elective credit. You will receive exam scores in July.	Grades are earned through the college awarding credit Grade will be recorded on transcript at both the high school and technical college Earn 0.25 high school credit per 1.0 semester credit offered by the post-secondary course	Grades are earned through the college awarding credit Grade will be recorded on transcript at both the high school and college/university Earn 0.25 high school credit per 1.0 semester credit offered by the post-secondary course
COST	Student Fee for optional AP Exam	Transportation is your responsibility ECASD pays for books and course credits provided you pass the course Your family is required to reimburse ECASD if you fail the class	Transportation is your responsibility ECASD pays for books and course credits provided you pass the course Your family is required to reimburse ECASD if you fail the class

## CVTC Academy Registration

- If you would like to participate in a CVTC Academy, you **MUST** apply on the CVTC website.

<https://www.cvtc.edu/admissions/college-credit-opportunities-in-high-school/hs-academies>

You can also do a simple google search for “CVTC High School Academies”

- Your application for a CVTC Academy is first approved by ECASD. Then if space is available, you will be registered for the Academy.

## **Registration for next year:**

**Skyward will be open January 30th - February 7th**

- **You will register for your required and elective courses as well as 3-5 alternates**
- **If you have problems registering for a class, please contact your counselor!**

# Register on your own using Skyward.

## Instructions are on Page 2 of your ACP Guide

### Instructions for Registering in Skyward

1. Login to your Skyward account
2. CLICK "schedule"
3. CLICK "Request Courses for 2021-2022 in your high school"
4. At the bottom of the screen, enter each required and elective course you want, one by one:
  - Enter the 4-digit course number
  - CLICK "search"
  - Your course should appear.
  - CLICK on the course
  - CLICK "add course" (course will appear in the box to the right)
  - REMEMBER: all your required and elective courses go here!!!
  - If you make a MISTAKE: CLICK on the course in the box to the right and CLICK "remove course"
  - Your "total credits" (above the column to the right) should be between 6-7.5 credits based on what you signed up for
5. CLICK the "Request Alternates" tab
6. Repeat step #4 (Notice that your "total credits" from the "request courses" tab do not change when you add alternates)

- 
- Your alternates will appear numbered in the box to the right
  - Your required and elective courses will have an "R" (for "requested") in front of them
  - Double check all of the courses you selected

- 
- **There is no SAVE button.** It will save automatically.
  - Click out of the registration screen and logout.
