				they're doing at that time of the day.	Ex. The ___ hand points to the _____. The ___ hand points to the _____.
MAPEL <i>*Include minutes/week (ongoing/untimed, 30 min/week)</i>	Click Here				

BONUS ACTIVITIES

We highly recommend these online resources. They match our lessons for the week and provide students with additional lessons and practice. The reason they are in the bonus section of our calendar are due to the facts that we understand not all of our students have access to the internet at this time and these activities may go over the 30 min per day.
