Flat Teacher

Adventure

Dear first graders,
We miss you so much that we decided to come along on some of your adventures while we continue to learn at home.

Each day, choose a new adventure for us to go on together. You can choose any of the four teachers. Draw a picture, write a story, or take a photo of what we do, then color in that square on this bingo card. Let your teacher know when you get a bingo!

How many boxes can you fill in? Can you do them all? We are going to have so much fun together. **Don't forget to send your teacher a few photos of your adventures!**

Love,
Mrs. Walsh, Mrs. Gilbert, Mrs. Romanchuk, and Ms. Bispala
