AT-HOME LEARNING DIRECTIONS:

Choose from the options below (choose one or both) to explore Color. Use whatever materials you have at home. The students may work by themselves or as a family team during these unusual circumstances. I would love to see what you have made, please send images to me at jschaller@ecasd.us or if you do Facebook go to my Facebook page [Mrs. Schaller's Budding Artists](#)

THIS WEEK'S ELEMENT OF ART FOCUS IS **FORM**

FORM: A 3 DIMENSIONAL OBJECT

ART CHOICE #1:

TIN FOIL SCULPTURES

Grab some tinfoil and explore smushing, bending and shaping it into different objects! If you would like to add to your sculpture think about painting it or coloring it with Sharpie markers.

BONUS RESOURCES

Want to learn more about FORM? Check out these ideas!

Air Dry Clay Recipe:

¼ cup salt

¼ cup water

½ cup flour

Mix all ingredients together in a bowl. Place an old box or newspaper on your table to play with the clay. Smush the clay between your hands. If the clay is too sticky, add a little more flour. Have fun creating different shapes and sculptures. Put it in a plastic bag to reuse or leave it out overnight to dry and then you could add color with paint or markers.

ART CHOICE #2:
CARDBOARD TUBE SCULPTURES
Save up empty toilet paper and paper towel rolls and see what you can create with them. Try bending, cutting and gluing things to them . Could you build a city or make a family of animals? What other ideas do you have?

Physical Education

Mrs. Erin Johnson's Email:
ejohnson@ecasd.us

Always ask an adult's permission before doing any of these activities. Also, get outside for fresh air and physical activity/movement as often as you can!

Activity: Magic Number Toss and Catch

Skills: Underhand Tossing and Catching

How to play: Take a pair of socks, put them together and roll down the top of the socks to make a ball. Try these different skills, by standing in a safe space, making sure that your toss is just a little higher than your head and your eyes are watching the ball. Your **MAGIC NUMBER** is the Number 10!

- TOSS with one hand, CATCH with both hands...10 times
- TOSS with one hand, CATCH with that same hand...10 times
- TOSS with the other hand, CATCH with that same hand...10 times

- TOSS with one hand, clap one time, CATCH with both hands...10 times
- TOSS with one hand, clap two times, CATCH with both hands...10 times
- How many times can you clap before you CATCH the sock ball?
- Now sit down and try these same skills!

Find something that you can use as a target...garbage can, box, bowl, bucket, laundry basket, etc. Find a safe space, put your target on the floor, stand in front of your target, and using your “favorite” hand, step with your opposite foot and underhand toss the sock ball to the target. Each time you make it, take one step back from the target.

You can also try tossing to a bucket that a partner is holding, and your partner needs to catch the ball in the bucket!

****Bonus Activities for this week:**

1. If you have an object and appropriate space at home, practice hand dribbling or bouncing/catching! (skill practice and review)
2. If you have access to some type of technology, try this video: Tiny the T-Rex Yoga Adventure <https://www.youtube.com/watch?v=rnlDBKD2S78>
3. Hi friends! I am also starting an optional game with you, called “PE PEN PALS: Where in Eau Claire is Mrs. Johnson?” Each week I will have a picture here of myself exercising at a location in Eau Claire. If you know the answer of where I am, become a Pen Pal with me! Write me an email with the answer, while also sharing a picture of yourself being active! We can write back and forth and I will also be able to see different ways you are keeping your body active and healthy while you are at home.

Game: “Where in Eau Claire is Mrs. Johnson?”

This week, Mrs. Johnson is practicing jumping rope at this location in town. Do you know where she is?!

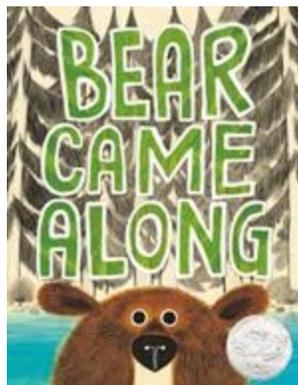

Library

Mrs. Julie Misurek's email:

jmisurek@ecasd.us

Activity:

Listen to Mrs. Misurek read this year's Caldecott Honor book [Bear Came Along](#) by Richard T. Morris and illustrated by LeUyen Pham.

Think about what happened in the story. Draw pictures of what happens in the beginning, middle, and the end.

The Caldecott Medal was named in honor of nineteenth-century English illustrator Randolph Caldecott. It is awarded annually by the Association for Library Service to Children, a division of the American Library Association, to the artist of the most distinguished American picture book for children.

Highlighted Resource:

Welcome to [Dav Pilkey At Home](#). Together we can get creative and have fun with some of your favorite

characters from Dog Man and Captain Underpants!

*My son and I have had so much fun drawing his favorite characters with Dav Pilkey! Check out our work below!

Keep reading NW friends! I miss you!
