Daily Writing Prompts <i>3-5 sentences with capital letters, spaces and appropriate punctuation.</i>	What did you learn the most during this time in isolation? Does not have to be school related.	What do you look forward to most in the next grade level?	If you could go anywhere in the world, where would you go?	What is/are your favorite subject(s) in school? Subjects do not include lunch and recess. 😊 Give reasons why.	Make a list of things you hope to do this summer. Try to think of 10 things.

Guidance - Ms. Amanda	Goal setting and a guided visualization practice!
Art - Ms. Kelly	Art for June 1-5 Hey Everyone! Did you know that you can participate in this year's virtual Chalkfest from home? Click here for more information!
Music - Ms. Traci	A New Song to learn before summer

	<p>Enjoy learning a new folk song from the Southern Appalachian Mountains. This is considered a lullaby even though the tune is quite lively. It is called Bandyrowe. Here is the song sheet. You might hear things that remind you of our Courting Frog and Mouse...</p> <p>I also recorded one more old favorite from our Hand Me Down Songs Book: Down the River. This is a kind of sea shanty or more like a river shanty, I guess. Here is the page from the book if you need it.</p> <p>Keep singing, friends until I see you again. Have a wonderful summer. I look forward to making music with you again in the fall!</p> <p>Ms. Traci</p>
Phy Ed - Mr. Bart	<p><u>Week 7 (June 1 - June 5):</u></p> <p>Always ask an adult's permission before doing any of these activities. Also, get outside for fresh air and physical activity/movement as often as you can!</p> <p>Activity: Locomotor Bucket Relay</p> <p>Skills: Locomotor movements (walk, run, gallop- forward facing, heel toe, jump-2 feet, hop-1 foot, skip- step, hop, slide- sideways, leap- one foot to other foot)</p> <p>How to play: You will start with a cup and two buckets (one smaller, one larger). Place the smaller bucket a short distance from the larger bucket and fill the larger bucket with water. You scoop water from the larger bucket and fill the smaller one. To make the game more challenging, perform the locomotor movements as you move from bucket to bucket. See how fast you can fill the small bucket. Challenge a parent or friend!</p> <p>**Bonus Activity: If you have an object and appropriate space at home, practice striking!</p> <p>Have a fun and safe summer break!</p>

School Nurse - Ms. Tori	<p>A random act of kindness is a nonpremeditated, inconsistent action designed to offer kindness towards the outside world. The phrase "practice random kindness and senseless acts of beauty" was written by Anne Herbert on a placemat in Sausalito, California in 1982. (Wikipedia) Acts of kindness make you feel good and the those you have been kind to feel good. Be safe, be well and enjoy your summer break.</p> <p>https://www.ecasd.us/District/Departments/School-Nurses</p>
