Video Chats on Microsoft Teams (E2 Teachers will share times)					

MAPE Activities <i>Approx. 45 mins per week (15 minutes each area)</i>	
Art (Ms. Kelly)	https://docs.google.com/document/d/1jHi4K4_Y3caKpQDCV3WCHwp_CGqJ55AGFBUE-JLS_YM/edit?usp=sharing Follow the link for two awesome art activities! Bonus activities are included at the bottom. Don't forget that you are also free to create your own home studio and share your original art on Artsonia!
Music (Ms. Traci)	Sing Along with Ms. Traci Sing The Fox from our Hand-Me-Down Songs Book. Look at the page . Notice there are two beats in every measure (group of beats). Make up a repeated body percussion pattern that moves in two. (Example:

	<p>Pat/Clap, or touch Shoulders/Head, be creative!). Sing along while you move. Also notice the <i>fermata</i>, it stops the beat and makes that note extra long. Can you do a special movement when you get to the fermata in each verse. (It kind of looks like a bird's eye.)</p> <p>Partner songs: Home on the Range/ My Home's in Montana. These two songs can be sung at the same time! That's called a <i>Partner Song</i>. Use the video to sing one, then the other, then choose one to sing and if you have someone at home who will sing with you maybe they can sing the other part! Does this song swing in twos? Threes? Try to figure out the rhythms of the claves(pronounced "clah-vays")part. Find two sticks and play along with the claves.</p> <p>BONUS: Work on your Recorder Karate Belts. All of the materials you need are on Canvas. Remember Ms. Traci ALWAYS writes comments or gives you video comments on these, if you aren't seeing these let her know! Even the worksheets are on Canvas. Parents remember, you can sign up as an observer on Canvas so you can see what is there as well.</p>
<p>Phy Ed (Mr. Bart)</p>	<p>Always ask an adult's permission before doing any of these activities. Also, get outside for fresh air and physical activity/movement as often as you can!</p> <p>Activity: Ball Skill</p> <p>Skills: Hand-eye coordination</p> <p>How to play: Shoot a basketball 25 times (OR shoot a wad of paper into a wastebasket 25 times)</p>

BONUS WORK

Math	Science	Reading	Writing	Culture
<p>Design a House</p>	<p>Virtual Field Trips Calendar</p> <p>Time for Kids - Write a Summary Paragraph</p>	<p>Create a Pop-Up Scene</p> <p>Sora</p>	<p>Demonstration Speech</p>	<p>Ancient Civilizations</p>

News From Ms. Tori (School Nurse) April 15th A Note From Your School Nurse

Greetings, I hope everyone is doing well and remembering to take care of yourselves and loved ones.

Please continue to update me on any changes in your student's health conditions so I am up to date when the kids return to school, whether it's this year or next. Some examples of health conditions could be, but are not limited to allergies, asthma, cardiac conditions, diabetes, seizure conditions and medication changes.

Please feel free to contact me via email or district phone, and I will get back to you as soon as possible. Below is contact information
