

Hello Children's House Friends,

Ms. Traci misses you! I hope you are doing a little singing every day. Here is another song for you to sing at home. I sure wish I could mail myself to you today!

I don't know if we ever did this song in class this year, but it is a good one and I think you will enjoy it. <https://www.facebook.com/groups/2254602501509166/permalink/2272363409733075/> Did you know that everything we eat started with dirt? Yup, that's right. Maybe you and your family can talk about how dirt made what you are having for lunch today. Just probably don't go outside and make mud pies and then eat them!!! Ha Ha! I miss being silly with you! Hope you are good. I am doing great with my little dog Knoxx. Look for more stuff from me to come. I would love to see pics of you or send me a video of you singing a song!

Love,

Ms. Traci
