

Hello 5K friends and families,

Below is a link to another music teacher and her daughter singing a song you all know. Did You Feed My Cow? Written by Ella Jenkins. She sings it a little bit differently than we learned it, but it is the same song. Can you spot the what's not the same? Sing along with the little girl on the, "Yes M'am", parts and do the actions.

If your family uses Facebook, you can look for more songs to sing along with on [The Singing Space](#). All the songs here are recorded by music teachers from all over and kid friendly : ) Ms. Traci has more songs here too!

I also recorded a song just for you! Remember when we talked about the opposite words Loud and Soft and we learned the Grizzly Bear Song? Here it is! Sing along and don't forget to change your voice and use loud and soft voices to make the song more exciting! Just don't shout. Use your nice singing voice. [Grizzly Bear](#)

Hope you have a great week. I'll send more goodies for you next week. I miss you.

Ms. Traci
