

Hello E1 friends,

I miss you! I hope you are doing well and singing a little each day. To help you with that I have recorded a few songs for you to sing along with. Some of these songs you may have not done since Children's House, but I think you will remember them. There is also a great site on Facebook called The Singing Space <https://www.facebook.com/groups/2254602501509166/?ref=share> where I am posting these songs and you can see other music teachers from all over sharing songs for kids. It is a great place to find some favorites and learn some new songs as well! Here are some songs for you that I posted. Sing along!
