

At-Home Learning Check List

WEEK OF 4/20 -- 4/24

Kindergarten

Dear Sam Davey Kindergarten Families,

Below are this week's At-Home Learning activities for your kindergarten students. As a district we have recommended that our kindergarten children engage in purposeful play throughout their day embedded with short reading/writing, math and MAPE (music, art and physical education) activities. If you find that you are looking for additional activities for your child or related resources, page two provides Bonus Activities that you may find useful. If you have any questions, please reach out to your child's teacher, Mrs. Neuser - sneuser@ecasd.us, Ms. Blume - ablume@ecasd.us, or Mrs. Christianson - kchristianson@ecasd.us.

~ We thank you for your collaboration and support!
