This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees may be required to follow other job-related instructions and to perform other job-related duties as requested, subject to all applicable state and federal laws. Certain job functions described herein may be subject to possible modification in accordance with applicable state and federal laws.

Job Summary

The Social, Emotional, and Academic Interventionist will be responsible for increasing students' engagement in their education to meet and exceed academic standards and social emotional competencies. The Social, Emotional, and Academic Interventionist will focus on preparing students for post-secondary opportunities through individual planning, responsive services, system supports, and guidance with students and their families. The Social, Emotional, and Academic Interventionist provides high quality instruction and intervention to support individual and small group instruction.

Essential Job Functions

- Collaborate with District and school leadership to ensure evidence-based, trauma-informed, school climate, social emotional learning (SEL), restorative practices and behavioral intervention strategies are integrated into school professional development.
- Collaborate with District and school leadership to ensure PLC/grade level team activities, assessments, walk throughs, tiered fidelity inventory (TFI), and staff meetings.
- Provide high quality academic and SEL instruction to individual students and small groups and monitor progress.
- Support one-to-one intensive academic and behavior intervention to students.
- Assess student needs, analyzes relevant data, and creates individualized action plans to meet student needs.
- Provide data to school teams and participate in decisions about student progress.
- Provide responsive services to meet the needs of students at the universal, selected, and intensive levels.
- Provide training, coordination, materials, and implementation support for the integration of SEL into academic learning in each classroom by identifying and embedding SEL curriculum, strategies, teaching, practice, reinforcement, intervention, and evaluation into existing systems.

- Provide family outreach, including home visits, and education regarding services and supports in the school district and the community.
- Collaborate with the school's pupil services team to create a comprehensive plan for student.
- Communicate with teachers, administration, and families regarding student progress and student placement.
- Participate in out-of-school, after school and evening or weekend activities with students.
- Maintain confidentiality of student information and materials.
- Motivate students and builds student self-esteem through positive relationships.
