

LOCUST LANE LEOPARDS

Welcome to

KINDERGARTEN

Locust Lane's Kindergarten team has been working diligently getting classrooms ready for learning and is excited to welcome you to kindergarten!

This important start of the school year promises lots of relationship building, discovery, learning of routines, and expectations. We are committed to careful planning to encourage independence and self-confident through large group, small group, and one-on-one participation.

Eau Claire School District believes in creating a welcoming transition for our kindergarten students. **The first two days of school will be split learning for our kindergarten students.** Starting off with smaller class sizes will benefit both the students and classroom teacher as they work together to build relationships and learn expectations. **The next page will have a calendar communicating when your child will attend their first day of learning.**

We look forward to a great school year!
