Happy Summer!

What a year it has been! Thank you for being a part of our team and doing this year with us. Since March, we have wished we could have given those hugs in person and witnessed their smiles face to face. We cannot wait to see everyone again at school in the fall. We hope you and your family have a wonderful summer filled with sunshine, smiles, and laughter (and some good books as well as math facts 😊)! Enjoy summer!

Thank you again for all you did to support your child during this unusual school year! We have missed our students so much!
