## Meadowview Mission

The Meadowview Community is committed to developing lifelong learners who are respectful, productive members of a diverse world.

-Welcome from the Principal-

Dear Meadowview Parents:

Welcome to another school year! We especially would like to extend a warm welcome to the students and families who are new to Meadowview this year. We are looking forward to an exciting year of learning, sharing, growing, and achieving. As we continue to strive for quality and excellence, we invite and encourage you to stay involved in your child's education. We are extremely proud of our great students, our terrific staff, and our dedicated and involved parent partners – namely you!

We would ask that you review and share this handbook with your child. Your interest, involvement and positive attitude towards the school and staff provides a model for your child that will enhance their caring, enthusiasm and positive school attitude for a lifetime of learning. Our home/school relationship is the primary ingredient in a recipe for school success!

Each child's academic achievement is essential to their future goals and direction, but we also know we are working to build great citizens for our school, community and world. We will spend time this year working on the following building blocks in this worthy endeavor. Please take time to talk about how your expectations at home fit with these building blocks so your child sees the important connections in this part of our partnership as well.

We invite you to keep this in a handy location for future reference. Please do not hesitate to call your child's teacher or myself at 852-4000 with any questions, concerns or comments anytime during the school year. We invite and welcome your input and feedback.

Here's wishing you and your child(ren) a year of great learning, laughter and love!

Your partner in education,

Kit Schiefelbein

Principal

The Food and Nutrition Program uses a computerized meal system. This system requires parents/guardians to **PREPAY** money into an account. You may sign up to make electronic payments at [MySchoolBucks.com](http://MySchoolBucks.com) or you may send checks made out to ECASD and send in an envelope with your child’s name and teacher’s name. Meal prices for the school lunch program for the 2023-2024 school year are:

If you have questions about your child's account balance, please call the school and ask to speak with the cook. The cook can provide an activity report and a current account balance.

Your child is always welcome to participate in the school breakfast program!

At any time during the school year, Free and Reduced lunch forms can be picked up and returned to Meadowview or the Food and Nutrition Office located at the Board Office at 500 Main Street (852-3023). For more information see website: <http://www.ecasd.us/District/Departments/Food-and-Nutrition/Free-and-Reduced-Information>

\*Classrooms vary on daily snacks please check with the classroom teacher for appropriate snacks.

### **Playground Guidelines**

We will hold indoor recess when it is raining outside or for cold temperatures (air temperature is below 0°F degrees or wind chill is below -10°F)

During the winter, students are expected to dress appropriately (I.e. hat, gloves, coat). Students are to wear boots and snow pants if they want to leave the shoveled blacktop area.

**Restricted Physical Activity** -If a child must stay inside from recess for medical reasons, parents are required to send a note from a health care provider detailing the period of time of restricted activity.

### **Emergency Closings**

At the beginning of each school year, parents are required to complete an Emergency School Closing form that will provide the school with instructions on what to do with your child in the event of an emergency closing. It is important to note that the YMCA does not operate in emergency school closing situations. Each child needs an alternative plan.

**\*Weather Related Closings:** All decisions to cancel school are made by the Superintendent or designee. Local radio stations and television stations (WQOW 18 and WEAU 13), will announce school closings by 6:30 a.m. or during a newscast. It will also be posted on the ECASD website.

On very rare occasions, extreme weather conditions may require that schools close early. The Eau Claire Area School District must make the 'early closing' decision by 11:00 AM. Please listen to the radio or television for important announcements.

### **\*Emergency Drills**

Throughout the course of the school year, we will conduct several drills with the students to ensure that all staff and students understand and know how to respond/what to do in the event of an unplanned situation. Drills are held periodically to practice emergency procedures in an efficient and safe manner. Each school year, we practice the following drills:

- **Hold!**
- **Secure!**
- **Lockdown!**

- **Evacuate!**
- **Shelter!**
- In the event that there is an emergency which requires an evacuation, the students and staff will evacuate to Hope United Methodist Church on Fairfax Street. If it is not safe for us to return to school, we will use the emergency forms that you completed and contact you or your emergency contact person to pick up your child/ren. There may be times when we have to evacuate for a short period and be allowed to return to school. In this case, we will bring all the children back.

## **SAFE ROUTES TO SCHOOL**

### **Crossing Guard**

An adult crossing guard crosses children at the corner of Golf Rd and Fairfax St. from 7:30am-8:30am and 2:45pm-3:45pm.

### **Safety Patrol**

We have 5<sup>th</sup> grade safety patrol students who stand at the intersection of Meadow Lane and Fairfax Street, Meadow Lane and Rye Ct., the middle of Fairfax St., the entrance to the front parking lot and the back parking lot entrance and exit. They are there every day from 7:50am-8:11am and 3:10pm – 3:20pm.

### **Drop off and Pick up**

You can drop off your child at the Meadow Lane parking lot, playground or along Fairfax Street. There is no supervision before or after school; parents are responsible for their children before 8:05 am. and after 3:10 pm. When dropping off students in the parking lot along Meadow Lane or Fairfax St., please pull all the way forward as much as possible. Please have your children ready to exit your vehicle as soon as you stop. Children should exit the vehicle on the sidewalk side, not on the traffic side.

When picking up children please make plans before the school day as to where you will meet your child. You can pick them up in the Meadow Lane parking lot, on Fairfax St., or wait for your child on the playground or in front of the building.

### **Safety at Meadowview**

1. Please use sidewalks and crosswalks. When parking on the east side (far side) of Fairfax Street please use the crosswalks to cross Fairfax St. Please use sidewalks instead of cutting through the parking lot.
2. Please travel south (away from Golf Rd.) during drop off and pick up times. The road is very crowded and dangerous with four lanes of vehicles on it. Also, turning a car around on Fairfax is very dangerous.
3. Please drive slowly and stop when the patrol has flags. Be on the look out for children and parents in the street, in between cars and coming out of opening car doors. **Thank you for considering these safety guidelines.**

### **Bicycles/Skateboards/Rollerblades/Scooters**

Children may ride their bikes to school. The bikes must be placed in the racks provided, we recommend that locks be used. Skateboards, rollerblades, and scooters will be treated the same as bicycles that are used to travel to and from school. For safety reasons we do not allow any of these to be ridden on the school grounds; they should be walked or carried on the school grounds before and after school.

### Student Transit

Student Transit provides all bus service for Meadowview. At the beginning of the year they will send letters to families that have children riding the bus to inform them of the bus schedule. They can be reached at **student-transit.com** or 715-839-5116.

If a student is planning to take a bus home with another student a note from both parents needs to be sent to school. If a student is changing any form of getting home, the school needs a note.

## ATTENDANCE

### What You Will See at School This Year:

- Your child needs to be at school when the bell rings at 8:10 am.
- We will be taking attendance 4 times during the day.

• Period 1	• 8:10 – 10:00
• Period 2	• 10:00 – 11:45
• Period 3	• 11:45 – 1:30
• Period 4	• 1:30 – 3:10

- After 5 minutes of the first bell, an absence will be recorded if your child isn't at school.
- If your child is unable to attend school, we need you to contact the office by 8:30am. Please call 715-852-4000 to report an absence.
- If your child is late more than 5 minutes from the start of ANY period, they will be marked absent for that period.
- After 5 unexcused absences (all or part of a day), we will invite you to meet with us to help develop a plan to improve your child's attendance.
- Unexcused absences can be avoided by contacting the office By 8:30 on the day of an absence with an acceptable reason for the absence as listed below:
  - Personal Illness
  - Illness in the immediate family which requires the student to be absent because of family responsibilities
  - Funeral
  - Religious holiday
  - Family trips that can be taken only during the normal school term. A family member must notify the school prior to their departure
  - Professional or court appointments that could not be scheduled outside the regular school day
  - Serious personal or family crisis
  - Approved school activities during class time

- Special circumstances that show good cause which are approved *in advance* by the school principal.
- Students are allowed 10 excused absences per school year using one of the reasons listed above. (Please bring a note from any professional appointments for it to be considered excused.)

### **Reporting an Absence**

If we have not heard from you regarding your child's absence, we will contact you after 8:30 am. Reporting student absences via e-mail is not recommended because staff may not have the chance to access their e-mail until the end of the day.

### **Tardy**

Children who are tardy should report to the office before going to their classroom. All tardies are considered unexcused unless we receive communication from the parent/guardian stating otherwise.

### **Leaving in the Middle of the Day**

If a child needs to leave during the middle of the day please send a note with the child. A parent or guardian will need to come into the office to sign the child out. Please do not call or e-mail the teachers, they may not get the message until after school.

### **Vacations**

If your child must be out of town or vacation during school, please send a note for pre-approval to the principal and classroom teacher. A week's notice is preferable.

## **COMMUNICATION**

### **Contacting a Teacher**

Please feel free to contact your child's teacher anytime through a note, e-mail or phone message. Teachers will check their e-mails and phone messages at the end of the day. If you have other messages that need to get to the teacher during the day, please call the office.

### **Contacting a Student**

On rare occasions, it is necessary for a parent to contact a child during school hours. This should be done through the office. Please make after-school and transportation arrangements with your child before they leave for school. Make sure your child understands the plans.

### **Contacting the School**

The office hours are 7:30 am – 4:00 pm. Office personnel can be reached at 715-852-4000. The Partnership Coordinator can be reached at 715-852-4007 or by e-mail at [arozeboom1@ecasd.us](mailto:arozeboom1@ecasd.us)

### **Messages and Item Drop Off During the Day**

Please make an effort to communicate all plans with your student or their teacher prior to the start of the day. Relaying messages during the day results in a disruption to classroom learning. If your child is absent, please call the attendance line at 715-852-4000 to let the school know if your child will be absent and provide the reason for the absence.

## **Electronic Newsletter/School News**

Every week we send out an electronic weekly Meadowview Update to let families know about current and upcoming activities. If you do not have e-mail please let us know and we will send a hard copy home with your child.

## **PTO**

PTO stands for Parent Teacher Organization. It is open to any parent/guardian who has a child attending Meadowview Elementary School. There are no annual dues and we warmly welcome everyone. The PTO plans and pays for many special events and on-going activities throughout the year.

## **SCHOOL SPONSORED ACTIVITIES**

### **Welcome Back to School Day**

All families should come to Meadowview to pick up each student's Hawk Folder with pertinent information. In addition, students will get to meet their teacher and other staff, drop off school supplies, and other necessary forms.

### **Classroom Parties**

There are three regularly scheduled holiday parties during the year: Fall Festival, Winter Wonderland, and Friendship Day.

Children's birthday party invitations should be distributed through the U.S. Mail, unless the entire class is invited. Children who do not receive invitations at school while others do, are often hurt or discouraged. Feel free to reach out to other families via the PTO sponsored Family Directory.

### **School \$ense**

Since 1993, Meadowview has partnered with RCU for the purpose of promoting the importance of savings. Students in 4<sup>th</sup> grade can apply to be workers and every Friday students may bring in their money to deposit into their account.

The credit union operates on Fridays during the student lunchtime. Students may complete an application found online at [www.rcu.org](http://www.rcu.org) or at any RCU office. Applications can be returned to the school office or an RCU office. Information can be obtained at the RCU table on Welcome Back to School Day.

The social competence and academic success of students depends on the partnerships between family, school and community.

Teachers and staff use evidence-based practices to increase student learning and decrease classroom disruptions. To support students in following the expectations in a positive manner we do the following when teaching academics and behavior:

- Constantly teach and refer to our school-wide expectations
- Provide students with more praise than corrections
- Talk to students with respect using positive voice tone
- Actively engage everyone in the class during instruction
- Use reinforcing, reminding, and redirecting as we teach
- Look for the positive first and provide positive, immediate, frequent, and explicit feedback

### **School Expectations & Voice Scale**

As a school we have established three school expectations based on classroom rules. These expectations are:

- We are Respectful
- We are Responsible
- We are Safe

With these expectations, we developed a behavior matrix that explains and shows how these expectations apply in different locations at school. Along with this we use the 5-point voice scale, shown below, to indicate the type of voice used in different areas in the building. For example, we ask all students to have a #0 Voice in the hallway as well as in the bathrooms, as noise will disrupt other students learning.

## HEALTH SERVICES

### Hearing and Vision Screening

Each fall, the City-County Health Department, will give a hearing test to students in grades K/1 and a vision screening to all students in K/2/4. Should either test indicate a problem, parents will be notified in writing by the Health Department with a recommendation to consult a doctor for further examination. The vision and hearing testing we conduct is simply a screening measure and is not meant to replace regular medical appointments.

### Immunizations

Wisconsin State Statute 252.04 requires that all students through grade 12 who do not submit waivers must present evidence of having received at least the first dose of each vaccine required for their grade within 30 school days of admission and the second dose of DTP/DTaP/DT/Td, Polio, MMR, Hepatitis B and varicella vaccines within 90 school days of admission. Evidence of the third and fourth doses (if required for their grade) of DTP/DTaP/DT/Td, Polio and the third dose of Hepatitis B vaccines must be submitted within 30 school days of the beginning of the next school year.

It is the parent's responsibility to make sure that their child meets this requirement. We require evidence of these immunizations to be kept in the child's cumulative file. If immunizations are not up-to-date, your child may be excluded from school until the proper immunizations are received.

### Sick Child Guidelines

Please keep your child home if he/she currently has or has had these symptoms in the last 24 hours:

**Temperature of 100.4° or more, Diarrhea, Vomiting, Persistent coughing, or a draining or spreading rash.**

**Restricted Physical Activity:** If a child must stay inside from recess or sit out from gym class for medical reasons, parents are required to send a note from a health care provider detailing the period of time of restricted activity.

### Medications

Whenever possible, all medications should be administered at home; however, under certain circumstances it may be necessary for a student to take medication while in school. No prescription or over-the-counter (OTC) medication shall be given to a student by any employee of the District unless written instructions for administering medication, signed by the prescribing physician/licensed prescriber, along with written authorization from the parent(s)/guardian(s), authorizing school personnel to give medication in the dosage prescribed by the physician/licensed prescriber, have been delivered along with the drug to designated school personnel. **In order for school personnel to administer the medication, parent(s)/guardian(s) must complete and submit the approved child/student medication management forms.** School personnel authorized to administer medications must complete the district-approved medication management training. The Eau Claire Area School District assumes no responsibility in circumstances where students bring and consume medication at school without benefit of the procedures outlined within the medication administration policy. For questions about medications, contact the School Nurse.

## Head Lice

Eau Claire Area School District's procedure for head lice management in schools is based on recommendations from the Centers for Disease Control, the American Academy of Pediatrics, the National Association of School Nurses, and the ECASD Medical Advisor.

According to this procedure:

- Head checks will be done on individual students as needed. **Classroom checks will not be done.** (As needed means they are showing signs such as chronic head scratching, or staff visualize what they think may be lice or nits).
- When live head lice are found on a student, the parent/guardian will be notified by phone. The student may remain in the classroom, and a letter and treatment information will be sent home with the student at the end of the day.
- When nits (eggs) are found on a student, the student will remain in the classroom, and a letter and treatment information will be sent home with the student at the end of the day.
- **Parents are asked to treat for head lice, remove all nits, and follow household cleaning recommendations, prior to sending their child back to school.** These treatment and cleaning recommendations will be sent home with the student.

\*Please note that this procedure provides guidelines for the school to follow. The administrator at your child's school may change these procedures as needed in cases of chronic head lice infestations. Please contact your child's school administrator or school nurse with questions.

**OTHER**

### **Birthday Treats**

Children may bring a treat to celebrate their birthday. Treats should be brought only for the child's classroom. Because of possible food allergy concerns, students should not bring treats for others in the building. Please check with the teacher to see if there are allergy issues in the classroom.

### **Cell Phones and Electronics**

Students may not use cell phones or electronics during the school day, including fieldtrips. All devices should be in the "off" position and cannot be displayed during the day. Electronics are high theft items and we recommend that they not be brought to school.

### **Family Information Change**

It is extremely imperative that we maintain current data on our students including address, phone number, parents' work location or phone number, emergency contacts, etc. If, during the course of the school year any of this information should change, please update in Skyward. If you're unable to get into Skyward, you may call the office at 715-852-4000 for assistance.

### **Visiting**

If you arrange to visit your child and classroom, or join for lunch, please bring your ID and check in at door 1.

### **Volunteering**

We love volunteers! They are recognized for their valuable contributions to the instructional process.

If you would like to volunteer, please speak with the Partnership Coordinator.
