

Welcome to Northstar Polar Club

The purpose of Polar Club is to provide students with an opportunity to study after school in a structured area with staff to assist with their study skills and homework.

Polar Club is held on Monday, Tuesday, and Thursday right after school from 3:00 to 4:00 in room 855 (8th Grade Collaboration Lab). A snack will be provided to students who attend Polar Club.

Students are expected to bring their homework and any other necessary materials with them to Polar Club. If a student does not have homework to work on, they are asked to bring a book to read. The library will not be available for book check out during this time. Students will not be allowed to play games on their computers or cell phones. Cell phones will not be allowed during study time – they should remain off and in the student's backpack. Disruptive students will be asked to leave, and parents will be notified.

Parents/Guardians and students must sign the parent permission slip and agree to the expectations noted below. This signed permission slip must be on file **before** a student can attend Polar Club. The signed permission slip can be found on the next page.
