

Dear Families,

With just three days of school left, our At Home Learning Plan looks a bit different. If we were able to be at school and end the year as we had planned, these days would be filled with celebrations and different ways of bringing closure to a school year. We hope students can attend our final Morning Meetings of the year, so that we can do our best to achieve a bit of celebration and closure together.

Let us know if you have any questions!
