Hello Families!

I hope you have enjoyed using Raz-Kids and will continue to explore the site. We love seeing all the stars that have been collected so far. A few housekeeping items:

1. If you feel as though your child is ready for the next word list please contact your child's teacher for additional lists.
2. We will be working on first grade class lists very soon. If you have any requests for placement please contact Mrs. Kneeland as soon as possible.
3. We received an update on retrieving student belongings from our classrooms. There is a plan in place to collect those items (supply boxes, extra supplies, etc.) and get them to you in the next couple of weeks. Stay posted for more information.

Attached are the lessons for the next five days. Click on the Lessons for April 29 to view the most current lessons! Remember that these lessons are available to support you, and wherever your family is at, is great!

Thanks,
The Kindergarten Team
