Hello Kindergarten families!

Here are the lesson plans for this week.

You will notice that Days 4 and 5 on the lesson are labeled as \*optional\*. This is because on the district calendar, Friday May 22nd is a professional development day for staff and Monday May 25th is the Memorial Day holiday. There is no school for students on these days, but we did provide options of things to do if you want to continue your school routine or are looking for additional activities to do on those days.

Sincerely,  
The Kindergarten Team
