

Putnam Panthers,

Here are some Art projects for you to try alone or with your brothers and sisters during the week of April 6th.

Feel free to share your work with me at sutphall@ecasd.us

K-5

Go on a scavenger hunt in your house and make a color wheel of the primary and secondary colors from objects you have found in your house. Place your items in a circle to show the colors of the color wheel.

If you want to draw your color wheel that will be terrific.

Grades 2-5

Have lunch with Mo Willems Lunch Doodles: Watch and Doodle with Mo .

K-5

Make a design or creation using food items such as cereal, crackers, vegetables or fruit etc. Make your design on a cutting board or counter top. Take a picture of your design. Invite everyone who is home to help you eat your design.
