

Music Trivia-Week 2 (Grades K-5)

Each week, I will send out a sheet of music trivia questions. See if you can answer them yourself, but if you're not sure, it's okay to ask a family member or look it up online. Send me your answers at any time during the week (jmiller@ecasd.us). When I send out the next trivia sheet, I will include the answers from this week. Best of luck!

Environmental Percussion

The percussion family is the largest family of musical instruments because almost anything can be turned into a percussion instrument. These instruments produce sounds by shaking, scraping, or hitting.

Find an object around the house that you can shake.

Examples include: dry pasta in a box, medicine bottles

Find an object around the house that you can scrape.

Examples include: soup can, comb, roasting pan

Find an object around the house that you can strike.

Examples include: empty trash can, pots, empty boxes

Use those objects and choose an activity below.

- Choose a song on a device and play along with a steady beat.
- Choose a nursery rhyme or poem and play the rhythm of the words.
- Play some rhythms using these instruments.
