## From Junior Achievement

We are currently facing an immediate need to fill volunteer positions in classrooms at Roosevelt. If you're interested in volunteering in your child's classroom and would like to step up as a JA volunteer, we urge you to act now and reach out to Allyson Barka at [abarka@javis.org](mailto:abarka@javis.org) for more information. If you are unable to volunteer but know somebody who would, please forward this email.

As a JA volunteer, you will teach students on a variety of topics: what is a want vs a need, what it means to vote, how money moves through a community, and budgeting for your own business. These are just a few of the topics that are shared with students through structured and interactive activities. Step up and say yes to volunteering.

#### Seven Easy Steps To Volunteer with JA

- 5 visits
- 1X a week
- 40 minutes per visit
- Detailed lesson plan and activity provided
- Training provided
- You schedule with the teacher the volunteer dates that work for you

We are still in immediate need to fill these classrooms. Without volunteers like you, we may not be able to offer these enriching experiences to our students.
