News from AVID:

AVID's Friday Fun Fact is UW-Stevens Point offers an exceptionally diverse curriculum with more than 100 undergraduate offerings from which to choose. The best-known programs are in biology, communication, fine arts, health promotion, history, education, natural resources, paper science and engineering, interior architecture and psychology.

There will be a **SAFE club** meeting Monday during Falcon Time.

\$1.00 **Candy canes** are for sale Monday, Wednesday, and Friday next week by door 2 - bring your coins and dollars!

Falcons - If you are **leaving the cafeteria** to eat your lunch, make sure you take a paper tray and plastic ware instead of washable times.

It is **recycling day!** Staff please put out your recycling today during period 2 for pick up. Thank you.

A big shout out to Mr. Novak's Falcon Time for leading the charge in our **food drive** so far. But the competition isn't over yet, and we need everyone's help to reach our school-wide goal of 500 items. Let's come together and make a difference! Remember, every item counts, so keep those donations coming. Good luck to all Falcon Times—may the best group win!
