

ECASD has a number of committees to guide the work of the District. The District will be appointing new members to serve on the Learning Environments and Partnerships (LEAP) Committee and the Demographic Trends & Facilities Planning Committee.

If you are interested in serving on the either committee, please click [HERE](#) to fill out a short form. The deadline to apply is Thursday, July 28, 2021 at 4:00pm.

The charge of the LEAP Committee is to provide guidance and recommendations to the School Board relating to its role as authorizer of current and future ECASD LEAP Zones and choice programming.

Demographic Trends & Facilities Planning Committee is a standing committee to provide annual recommendations to the Board of Education regarding demographic trends, boundary issues, capacity updates and other relevant data. This would allow for long-range predictability of attendance areas, facility needs and programmatic equity.
