This is a free subscription service for agencies participating under the Wisconsin Association of Public Purchasers (WAPP), e.g., Eau Claire Area School District.

This purchasing network brings together an extensive database of government agencies and vendors on the internet. Their service enables us to improve our service to you by promoting automatic bid notification and instant access to bid information via the web.

We believe this system of electronic purchasing represents the future of government purchasing; therefore, we strongly encourage you to participate.

Please Note: Purchasing will no longer maintain an in-house bidder's list and, as such, will not send bid notices by mail or fax. To ensure receipt of future bid or quote opportunities, you must be a subscriber to this bid network.

Specific questions and concerns not addressed here should be directed to the Purchasing Department, 715-852-3012 or emailed to [nsolberg@ecasd.us](mailto:nsolberg@ecasd.us)

We appreciate your interest in doing business with the Eau Claire Area School District
