Skyward Mobile Access - Setup Guide
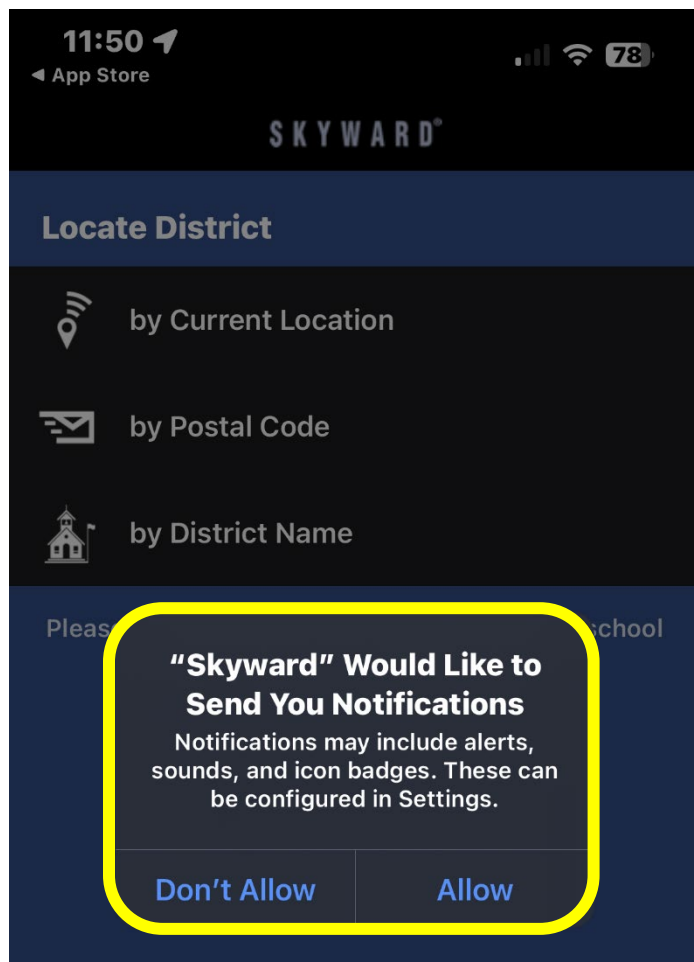

About Skyward SIS

ES

Skyward is the adopted Student Information System (SIS) of the Eau Claire Area School District. We use Skyward to manage student enrollments and family information. Please consider the guide below to successfully add the Skyward Mobile Access to your personal device. For information and support, please contact IT411 at (715) 852-3411.
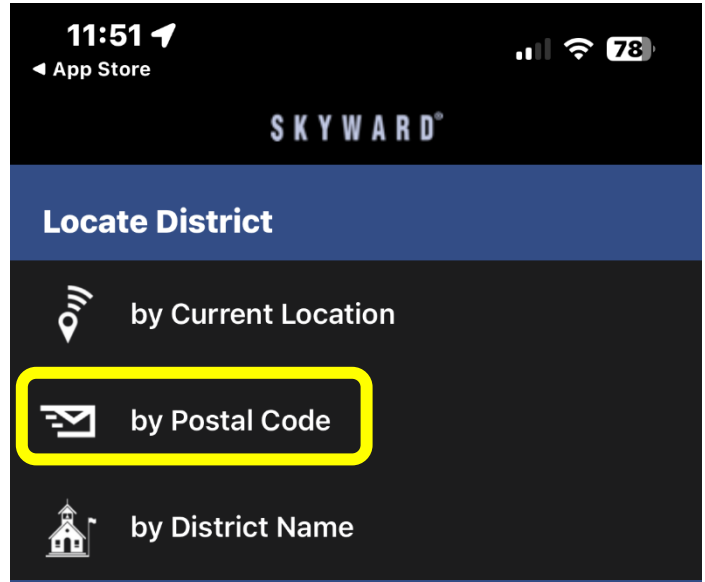

Downloading Skyward Mobile Access App

| **Depending on your personal device, browse to the URL or use your camera app to scan the QR Code**
