### WELCOME TO THE 2022-23 SCHOOL YEAR!

I hope this letter finds our Memorial families enjoying our final days of summer vacation. With the return to school rapidly approaching, we are preparing to welcome all new and returning students to MHS for the 2022-23 school year!

Campus Improvements include an updated parking lot, sidewalk, and patio space to the east side of the building. With enhanced access and exits to our primary lot, we are confident that traffic flow and student safety will be optimized. Our Building and Grounds and Instructional Technology Departments have worked diligently to prepare the building for the start of the year, thanks to all who are contributing to a great start!

Student class schedules became available on August 1<sup>st</sup> in Skyward. If you need a printed schedule, the school offices are open Monday – Thursday 7:00 a.m. to 4:30pm for the remainder of the summer. Our School Counselors return to the building on August 15<sup>th</sup> -16<sup>th</sup> to meet with new enrollees. On August 17, 18 & 22 no appointments are needed and counselors will see students on a walk-in basis. They can assist with schedule changes, academic questions, and other assistance you might need. Parking permits can also be purchased starting August 16<sup>th</sup> from 7:00-3:00 in the Business Office.

The LINK orientation day for all incoming 9<sup>th</sup> graders is Tuesday, August 30<sup>th</sup>. Details can be found in this mailing. Our student leaders will assist with welcoming our 9<sup>th</sup> grade students, conduct team-building activities, and offer tours of the building. Freshmen will also meet their teachers as they walk through the building and practice their schedules and lunch shift. Our LINK program is an orientation for the 9<sup>th</sup> graders that should mitigate many immediate concerns about the transition to high school. I highly encourage all members of the class of 2026 to attend!

On Thursday, September 1, all students will report for the first day of school. The bell schedules this year include time each day for enhancement, intervention and academic support. This is the second year of our Extended Learning Time (ELT) initiative, now found every day between 2<sup>nd</sup> and 3<sup>rd</sup> periods. The Campus is closed during ELT so that each student can receive support and enrichment opportunities to facilitate their success. The updated 2022-23 bell schedule is available on the Memorial High School webpage and can be found in this document.

Students will find an increased building-wide emphasis regarding the use of technology. Additional efforts by our staff to assist students with self-regulation of device use will be an embedded learning target found in all classrooms. We will instruct students of these expectations early in the school year, then update families. Please watch for that information, via email, early in September.

We are excited to bring several new staff members to Memorial. They are sure to bring many great experiences and opportunities for students. Please welcome:

- Faith Erickson – Counseling
- Isaiah Vang – Counseling
- Elizabeth Porath – Special Education
- Leah Punzel – Math
- Dan Morgan – Science

- Ty Novak – Phy-Ed/Health

- More to come.....

Memorial High School strives to prepare all students for post-secondary success. We continue to provide our students with excellent career and college readiness offerings. Our staff will continue professional development efforts that enhance student achievement through classroom instructional practices, and assessments that match the needs of all learners. Memorial is committed to equity and achievement for all learners and will continue to review our data to ensure inclusionary practices.

Numerous co-curricular and after-school activities are available to enrich student learning outside of the traditional classroom setting. Our goal is to provide an experience that enhances the MHS journey for all our Old Abes.

Please take some time to review the entire Eagle's Eye newsletter. There is a wealth of information that can help families have a successful start to the school year. If you have any questions, please do not hesitate to contact us. We look forward to seeing the many great things that will happen during the upcoming school year. **It's a great day to be an Old Abe!**

## **TEACHING ABES TO SOAR AT MEMORIAL**

Thank you to students, parents, and staff for continued support of the [SOAR program](#) at Memorial High School. We are very proud of our student body and the way that they conduct themselves, both in and out of the classroom. The goal of SOAR (Safe, Organized, Accountable, Responsible) is to identify and support positive behaviors throughout the school which improves school culture, increases productive instructional time, and prepares students for a successful life beyond the walls of MHS. Throughout the school year, staff will be teaching and reinforcing building and classroom expectations so that students have a clear understanding of what they are expected to do in all areas of the building. We are so excited to start another fantastic school year. Let's SOAR Abes!

## **ATTENDANCE**

Attendance and academic performance are closely related. To benefit fully from the instructional program, all students are expected to attend school regularly and to be on time for all classes, extended learning sessions and study halls. The high school attendance policies are designed to develop students' punctuality, self-discipline, and responsibility.

**Attendance Procedures**—Parents/Guardians should contact the attendance office 7:00 a.m. - 3:30 p.m. on the day the child will be absent from school, either for a **portion** or the **full** day of school; **OR** provide the school with a written verification of absence. Please prearrange any foreseen absence. Students are required to check out of and into the attendance office when leaving or arriving back to school. After 48 hours from the date of the absence, if no excuse is provided, the absence will be considered unexcused. Parents/guardians can create an absence for their student in the Skyward app.

**Unexcused Absences**—Students who are unexcused from classes and/or study halls are considered to be truant from school. Students will meet with a principal and detention(s) will be assigned during the lunch hour or after school detentions may be assigned as needed. Students failing to attend lunch hour or after school detention will be issued a truancy citation and report to Truancy Court, which is held every week at the County Court House. Questions or concerns about attendance or truancy can be directed to Assistant Principals. For more, see [ECASD attendance policy 431](#).

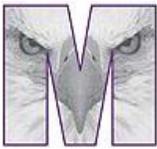

## ***\*\*\*Parents, your assistance is vital\*\*\****

While some students are referred for truancy due to unexcused absences (skipping), we are finding that more and more are chronically absent with excused absences. Excused absences are just as detrimental to a student's education as unexcused absences. State statute allows parents to excuse their child for all or part of only 10 days in a school year. Anything beyond that is considered excessive and may not be excused by the school or district. Please keep this in mind when planning vacations or family events and before excusing students for reasons other than serious or infectious illness. While we never want students to risk their health or that of others, we do want to send the message that school is a high priority and is instrumental to their future success. If your child has health or other concerns that affect regular attendance, please contact the appropriate counselor or school administrator to set up an attendance plan early in the school year.

### ***Other ways parents can help:***

- **Start strong:** Encourage good attendance from day one. Students who miss more than 2 days of school in September are much more likely to become chronically absent later in the school year. Chronic absenteeism contributes to lower grades and test scores, increased dropout risk, and lower college retention and graduation rates.
- **Plan to attend every day:** Resist the urge to pull students out of school. Breaks are built into the school calendar to be family-friendly and discourage disruption to learning. Plan your trips and activities around the [ECASD school calendar](#).
- **Help set routines:** Teenagers need 8-9 hours of sleep a night. Encourage routines that allow time for homework, hobbies, and interests, but which also encourage healthy sleep patterns. Make sure that when your child powers down, the cell phone, computer, and video games do as well.
- **Be on time:** Tardiness also affects a student's success. If a student is 10 minutes late to school each day, that adds up to missing 30 hours of instruction over the course of a year.
- **Above all, set a good example:** Communicate with your child about the importance of education and that you won't excuse unnecessary absences. Don't expect them to take on childcare or other family responsibilities during the day. Education is the first priority.

***As always, we appreciate your support & know that every student's success is a team effort.***

You can easily apply online for free or reduced price meals for the 2022-23 school year [HERE](#). (needs to be submitted annually). If you fill out an online application, there is no need to fill out a paper one.

**Online Meal Accounts:** [myschoolbucks](#) is:

- **Free:** There is no fee for using the service
- **Easy:** Enrolling and funding is simple and completed online
- **Convenient:** Once your account is established, you can check balances and fund the account from your computer or phone

If you enroll with the recurring payment option called SmartPay, you can set up your child(ren)'s accounts so that a payment will be initiated when their account balance reaches a certain amount. For example, you can set up a recurring payment of \$25.00 when your child(ren)'s account gets to \$8.00. Once you set this up, you will not have to go back into [myschoolbucks](#) unless you change credit/debit cards, your credit card expires, or your student changes schools. The program has been very successful, and based on parent comments, we believe it is a great benefit to our families. If you have questions, you can call [myschoolbucks](#) at 1-800-479-3531.

**School Breakfast:** We are committed to the academic success of all our students. One of the best tools that we can use to help all students succeed is to make sure they eat a healthy and nutritious breakfast, whether at home or at school. If breakfast at home is not convenient, please take advantage of breakfast at school. Studies have shown that students who eat breakfast:

- Perform better in school
- Are tardy less often
- Are more attentive in class
- Are more likely to have better eating habits
- Are less likely to be overweight
- Have decreased absences and trips to the nurse
- Have fewer behavior problems

The School Breakfast Program is available to all students from 7:00-7:30 a.m. While it is your choice of whether your child eats breakfast at home or at school, we do encourage your student to eat a nutritious breakfast. Your student's regular lunch money account will be deducted for all breakfast meals in the same way it is for lunch meals.

### **Family Access for Parents**

Family Access is a real-time, secure internet-based website that allows you to view your student's information. Different information is available for different grade levels. You do not need to obtain a new account. To obtain your username and password, you can click on the SKYWARD link at the top of all pages on our website and choose the "Forgot login/password". If your account has an email associated with it, you will receive an email

with your login information. If you do not have an email address associated with your account, you will need to contact your school. You can also contact the Enrollment Office for assistance at 715-852-3063.

### **Family and Emergency Information**

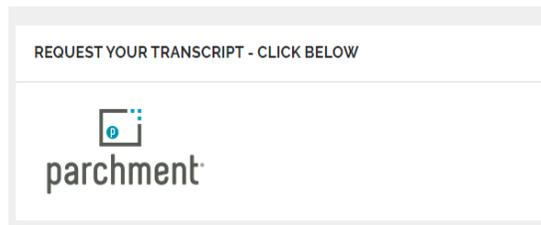

It is essential Memorial High School has up-to-date contact and emergency information in Skyward for students. Skyward Family Access gives parents/guardians the ability to make online changes to information such as phone numbers, emails, and emergency contacts at any time during the year. Log into your Family Access Account, Click "Student Info" and then "Request Changes for [Student Name]" on the upper right. If you prefer, or do not have computer access, you can contact the secretary by [email](#) or call 715.852.6301 to update information in Skyward. *If you need your **address** changed, DPI and the ECASD policy requires you to complete a [change of address form](#) and show proof of your new address (i.e. copy or picture of utility bill, mortgage or lease agreement).* You can bring both documents to the district Enrollment Office or MHS, or email the [MHS secretary](#).

### **AFTER SCHOOL STUDY HELP**

## GRADUATION - THURSDAY, MAY 25, 2023!!

Dear MHS Parents:

The Senior Graduation Party offers a safe way to celebrate a job well done by our graduates! It is our chance to reward the students collectively after the graduation ceremony. Yes, we're already planning for next year and we could use your help! You may, or may not, have a senior this year, but we encourage ALL parents to pitch in and help host the all-night graduation party on Thursday May 25<sup>th</sup>! We had a great party this year, but the party can only take place if we have help from parents.

***This party is hosted by the parents, preferably by freshman, sophomore, and junior parents so that senior parents can focus on their graduate.***

Parents and past students who've either worked at and/or attended this party will tell you how the awesome this is for the senior class. There is music, games, casino tables, food, prizes and more! We're asking for your help to keep this long-standing Memorial tradition going. Please consider helping out this year. The time you donate is up to you - a little or a lot - it all counts! Keep an eye on the MHS weekly newsletter for more information throughout the year. We will also have a table at Family/Teacher Conferences. For more information/questions contact Caro Johnson [caro@andycaros.com](mailto:caro@andycaros.com)

### **ECASD policy regarding middle/elementary students attending high school athletic events.**

All students in middle school or elementary school must enter a home high school athletic event at Memorial or North High School with a paid, adult chaperone. Please note that **all individuals** must purchase a ticket to attend the game. Event staff will utilize the following expectations when supervising our middle and elementary school student fans:

**Step 1:** *Remind the student to sit and watch the game.*

**Step 2:** *Student must watch the game with his/her chaperone the rest of the game.*

**Step 3:** *Removal from the game with the chaperone.*

The purpose for this policy is to ensure the safety of students and spectators and to maintain an environment of sportsmanship. Our hope is that all middle school students will continue to be able to sit in the traditional “middle school section” of the stands and cheer on their team while their adult chaperone enjoys the game with other adults. Asking a student to sit with their adult chaperone will happen only if a student is unable to be redirected by staff supervising the stands, as indicated in Step 2.

### **Staying Positive at Athletic Contests:**

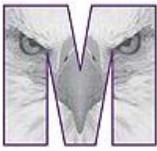

As we enter another year of Athletic Competition, Memorial High School and the Eau Claire School District are committed to teaching our young people to set goals, strive for excellence, and to properly handle whatever adversity they encounter along the way. This aim is the same in the classroom as it is in high school athletics. Good sportsmanship by student athletes, fans, parents, and coaches is key to the success of our objective.

The greatest challenge to good sportsmanship is adversity and how the student athletes, teams, coaches, parents, and fans handle that adversity. When things are not going well, the easy response is to shift blame. In particular, to shift blame away from our team to our opponents and all too often to the officials. The focus of our cheering and support should be directed towards our athletes and our team in a positive manner. The negative comments to opposing teams, players, coaches, and officials should not occur, and will not be tolerated at our athletic events.

In addition, negative comments and cheering create a very uncomfortable environment for the spectators that have come out to enjoy the game and support their team. Negative and rude comments at our games create an embarrassment to our schools and to our student athletes playing the game. We are asking all our fans to keep comments positive to show support for our teams, our coaches, and our school district.

***ECASD Family Pass*** - If your family attends numerous events, you may be interested in our [Family Pass](#). The cost of the family pass is \$150 which allows anyone in the immediate household admittance to Memorial or North home activities that charge a fee (including plays and shows). A pass can be purchased from the principal’s secretary. The pass does not qualify for WIAA tournament contests, but all regular season home contests. Remember, students get in free with their student ID for the current school year, so encourage your student to get their MHS ID on the September picture day. *(For contests prior to picture day, students can use last year’s student ID for free admission).*

***LET’S MAKE IT A GREAT YEAR – GO ABES!***

## NURSING SERVICES

Nursing Services at Memorial High School are provided by a School Nurse that is shared with other schools. The school nurse's hours vary. The health service office is in Student Services. Additionally, a Public Health Nurse from the Eau Claire City-County Health Department can visit Memorial High School on a consultation basis to provide students and families referrals to appropriate community resources.

[School nurse information](#) can be found on the School Nurse page under the Departments tab of the district website.

## STUDENTS WITH HEALTH CONDITIONS

If your child has a health condition that may or will require special monitoring, a health plan, and/or medication to be administered during the school day, please contact your school nurse. Some examples of health conditions could be, but are not limited to:

**Allergies, Asthma, ADHD, Cardiac Conditions, Diabetes, and Seizure Conditions.** All medical forms and health plans must be updated at the start of each school year, they do not carry over from year to year.

*Diet modifications are good for the duration of the student's enrollment in the ECASD.*

### **ECASD Medication Procedures:**

Medications should be administered to students at home, rather than at school, whenever possible. When medications are needed during the school day, the ECASD policy and guidelines must be followed. These guidelines are in place for the protection of all students. For **ANY** medication (prescription or over-the-counter) to be allowed or given in school, a completed [Medication Management form](#) with authorization by a physician/licensed prescriber and parent/guardian must be on file with the school nurse. Medication Management Forms can be downloaded from the district website on the School Nurse page under the Student Services section of the Departments tab on the district website.

### ***There are 2 options for medications at school:***

1. Parents can request that the medication be administered by a school staff member. The completed form needs to be returned to the school nurse prior to the medication being administered.
  - a. Each prescribed medication must be in its own pharmacy-labeled package which includes the student's name, current date, the correct dosage, time to be taken, and physician/licensed prescriber's name. Nonprescription medications are to be supplied in the original manufacturer's container that lists the ingredients and recommended dose.

***\*Multiple medications may NOT be mixed together in same container.***

- b. It is the responsibility of the parent to safely transport the medication to school.
2. Students can carry their own medication. This is not the encouraged practice, but it is allowed as long as these guidelines are followed:
    - a. ECASD Medication management form -written authorization by a physician/licensed prescriber and parent/guardian must be on file with the school nurse. The physician/licensed prescriber must indicate on the form that the student is allowed to carry and self-administer the medication. The completed form needs to be returned to the school nurse prior to the student carrying the medication.
    - b. Each prescribed medication must be in its own pharmacy-labeled package which includes the student's name, current date, the correct dosage, time to be taken, and physician/licensed prescriber's name. Nonprescription medications are to be supplied in the original manufacturer's container that lists the ingredients and recommended dose.

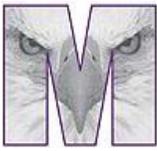

***\*Multiple medications may NOT be mixed together in same container.***

- c. It is the responsibility of the student to comply with all school policies/rules relating to student alcohol/drug use.

In all cases the completed form should be returned to the school nurse. Parents are strongly encouraged to return forms to the Student Services office (to the attention of School Nurse) during the month of August to allow time for forms to be reviewed and any needed clarifications to be obtained before the first day of school. The parent/guardian assumes full responsibility for the safe delivery of medications to the health office.

***For any questions about medications or health concerns please call MHS School Nurse 715-852-6470, or MHS Health Aid 715-852-6499.***

.....  
*The Eau Claire Area School District assumes no responsibility in circumstances where students bring and consume medication at school without benefit of the procedures outlined within the medication policy. The [ECASD policy on medications](#) can be found in Board Policies (#453.4 and 453.4 – Rule) under the Board of Ed tab on the [ECASD homepage](#).*

## **MHS PARTNERSHIP COORDINATOR**

Our Partnership Coordinator (PC) is Kimberley Winkelmann. The PC can assist with questions and concerns or direct you during your time here at Memorial High School. Please feel free to contact the PC at 715-852-6307. You can also access the [Partnership Coordinator webpage](#) under the About tab on the MHS home page. One of the great things about a school the size of Memorial is that there is always something going on and there is something for everyone. However, along with that, there can be many questions about when events are happening, how things run or who to contact. One of the ways we help communicate at MHS is through a [weekly electronic newsletter](#) that is sent out to each parent email each week. You will receive the first weekly newsletter for the school year. If you do not receive the first newsletter of the school year during the first week of school, your email information may not be current in Skyward. You can simply log into your Skyward account and update your email address listed on your Skyward Family Access page or contact the secretary by [email](#) or at 715-852-6301. If you would like a hard copy of the weekly newsletter mailed to you, contact the PC at 715-852-6307.

## **STUDENT DISCRIMINATION COMPLAINTS**

It is the policy of the ECASD School Board to maintain an educational environment that is equitable, safe, and inclusive of all students. The Board is dedicated to the task of providing the best education possible for every student in the District. ECASD shall not unlawfully discriminate in any of its programs, services, or activities on the basis of the student's sex; race; religion; color; national origin; ancestry; immigration status; creed; pregnancy; marital or parental status; physical, mental, emotional or learning disability; sexual orientation; gender identity; or gender expression. If any person believes that the Eau Claire Area School District or any part of the school organization has failed to follow the law and rules of §118.13, Wis. Stats., the Americans with Disabilities Act, Title IX, Title VI, or Section 504 or in some way discriminates against students on the basis of sex; race; religion; color; national origin; ancestry; immigration status; creed; pregnancy; marital or parental status; physical, mental, emotional or learning disability; or sexual orientation; gender identity or gender expression, he/she can bring or send a complaint to Dr. Kaying Xiong, Director of Student Services, 500 Main Street, Eau Claire, WI 54701. You can [email Dr. Xiong](#) or reach her at 715-852-3036. Complaints will follow the steps identified in Board policies (411-Rule) found [HERE](#) or under the Board of Ed tab on the ECASD website.

## **DRESS CODE REMINDERS**

Responsibility for the personal appearance of students enrolled in ECASD shall normally rest with students and their parents/guardians. Student dress or grooming shall not, however:

- a. affect the health or safety of students
- b. disrupt the learning process within the classroom or school
- c. be destructive to school property.

To assure a healthy and safe school environment for students, the following student dress code guidelines will be enforced:

1. No student shall be permitted to wear any clothing or jewelry that contains pictures and/or writing referring to alcoholic beverages, tobacco products, sexual references, profanity, promotion of gambling, illegal drugs and/or gangs. Clothing items that cause intimidation or disrupt the learning of others are prohibited. Students will not wear clothing that defames, insults, threatens, harasses, or injures any racial or cultural groups or individuals.
2. Special requirements may be necessary to assure safety in certain areas such as physical education, art, band, science labs, kitchens, and technology education work areas, i.e. safety glasses, aprons, hair nets, etc.

*The entire dress code policy can be found [HERE](#) in Board Policies (#443.1-Rule) under the Board of Ed tab on the district website.*

## **ECASD FAMILY ADVISORY COUNCIL (ECASD FAC)**

Every school in the Eau Claire School District sends representatives to the FAC meetings held once a month. The purpose of the group is to facilitate better communication between parents and the District on District-wide educational issues. The Superintendent and a School Board member also participate in the meetings. Communication is based on ECASD Administration bringing information and issues to the group for discussion and input. It is also a means for the school representatives to bring items for agenda inclusion. These items are of district-wide relevance rather than issues only affecting one or two schools. Read more about the [ECASD FAC here](#). As a parent, you are encouraged to contact our Memorial FAC parent reps with questions or concerns you may have for the [ECASD FAC](#). Memorial High School is currently looking for another representative. Please contact Kimberley Winkelmann, Memorial PC [kwinkelmann@ecasd.us](mailto:kwinkelmann@ecasd.us) if you are interested.
