

## AP School Honor Roll

---

2024

College Board has announced that Memorial High School in the Eau Claire Area School District (ECASD) has been named to the 2024 Advanced Placement® Program (AP®) School Honor Roll, earning **SILVER** distinction.

The AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening access. Schools can earn this recognition annually based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing post-secondary readiness.

The AP Honor Roll awards Platinum, Gold, Silver, and Bronze levels to schools based on three indicators for the graduating class of 2024 (College Culture, College Credit, and College Optimization).

- **College Culture**-Students taking at least one AP exam during their high school journey.
- **College Credit**-Students earning a 3 or higher on at least one AP exam during high school.
- **College Optimization**-Students who took 5 or more AP exams during high school with at least one taken in 9<sup>th</sup> or 10<sup>th</sup> grade.

54% of Memorial's class of 2024 took at least one AP Exam during high school, 43% scored a 3 or higher on at least one AP Exam, and 12% took five or more AP Exams throughout high school!

Memorial High School is committed to providing all students with access to rigorous academic opportunities that prepare them for success by offering 17 AP Courses and over 40 sections of AP. We are tremendously grateful for the 16 dedicated AP teachers at Memorial High School who have played a vital role in the school's success in the Advanced Placement program.
