New Scholarships Highlighted in Yellow

Students continue to watch your colleges of interest for school specific scholarship information.

The information listed below are the names and details of scholarships available to Eau Claire Memorial High School students.

Mrs. Kristi Herbenson, Scholarship Coordinator, posts the scholarship applications as they arrive throughout the school year. Applications and application information is in the scholarship file in Student Services- front counter and on the MHS website-mid center of page.

Many scholarships require ACT and some the SAT scores. Students are advised to take these tests beginning second semester of their junior year. Although many scholarships are based on grades and test scores, some are based on other criteria such as character, extra-curricular activities, volunteer work, and financial need. It is important to note that scholarships are designed for many types of career interests and GPA's vary.

Tips for Winning Scholarships

- ✓ Do not wait until May of your senior year to start applying for scholarships.
- ✓ Choose references that will say good things about you and give them at least a two to three week to write a letter of recommendation for you. Brag sheets are available in Student Services.
- ✓ Transcripts can be requested through *Parchment* and are free of charge.
- ✓ Be very neat and follow directions. When possible, always type.
