Tips for Winning Scholarships

- ✓ Do not wait until May of your senior year to start applying for scholarships.
- ✓ Choose references that will say good things about you and give them at least two to three weeks to write a letter of recommendation for you. Brag sheets are available in Student Services.
- ✓ **ALWAYS include your transcripts and AT LEAST one letter of recommendation with your application.** They can separate you from your peers.
- ✓ Transcripts can be requested through *Parchment* and are free of charge.
- ✓ Be very neat and follow directions. When possible, always type.
- ✓ Follow deadlines. Applications submitted after deadlines (dates and/or times) will not be accepted.
- ✓ On a scholarship resume, MORE IS BETTER. Be sure to include everything you have done since ninth grade (ex. activities, work, leadership)
- ✓ Never pay for scholarship information.
