WHATS GOING ON IN STUDENT SERVICES?

Students who are currently taking AP Macroeconomics and are interested in taking the AP exam for AP Macroeconomics have until March 1st to register. Registration will need to be through MySchoolBucks or a paper registration form can be picked up in Student Services. The exam costs \$100 and is free to students who qualify for Free/Reduced lunch. This is only for the AP Macroeconomics test. If you have any questions, please reach out to Mai Thao in Student Services.

North High School has a test prep app in Gale Resources. This app is now in Clever and can be accessed by students for test prep for both AP and ACT. The icon in Clever students would be looking for is located in the research section and looks like the picture below. When first logging in, students, you will need to create an account. We encourage students and families to check out this fabulous resource for test preparation.

Occasionally when senior students pick up their diploma in June, a student notices his/her name is spelled incorrectly. The spelling of the names is taken directly from the student's record in Skyward. Please check your name in Skyward to confirm that the spelling is correct. Also, confirm that it is your legal name. If either of these are incorrect, please stop by the North High School Registrar's office with a copy of your birth certificate so your permanent records can be updated. Diplomas will be ordered March 14, 2025. After this date, any corrections made will be the student's responsibility, including contacting Jostens directly and paying for any cost incurred. Thank you for taking a moment to double check.
