WHAT'S NEW

We are so excited to welcome back students for the 2024 - 25 school year! Please read the extended Principal's Welcome below, along with other back to school information.

PRINCIPAL'S WELCOME -

Welcome to North High School!

Our school is nestled in a residential neighborhood on the North side of Eau Claire. We serve approximately 1,600 students who bring the school building to life.

Our students are filled with **ENERGY**, **creativity**, **PASSION**, and **curiosity**. North High School students showcase their talents in and out of the classroom. We're confident that the future leaders of our community are currently walking the halls of North High School.

We want all Huskies to graduate  on time and be successful in the community, at college, and in their career. To help students achieve this, the staff at North have two **GOALS!**

- 1** 97% of students remain on track for graduation each semester.
- 2** Students improve their proficiency on the PreACT and ACT by 5% each year

Husky staff support students academically, socially, and emotionally to achieve these goals. In the classroom we focus on instructional strategies that are proven through research. In all settings, our staff strive to make meaningful connections with students and to help them grow. We know that families are an important part of this equation as well. On behalf of the North staff, we look forward to partnering with you.

Kind regards,
